Disposable & KN95 Masks - Now Available

TSTIMPRESO is offering both 3-ply disposable masks and KN95 masks. Both masks are FDA certified. The disposable masks are a soft, three ply non-woven fabric, latex free, and high fluid resistant. They include elastic ear straps and are packaged 50 masks per carton. The KN95 masks are made of a white, four layer no-woven fabric, suitable for respiratory protection, filtering dust, haze, bacteria, droplets and other harmful particles in the air. KN95 masks include convenient ear straps and are packaged 5 masks per carton.
