

Hand Sanitizer - Now Available From TST In Both Gel and Liquid

TSTIMPRESO is pleased to announce the latest addition to our Janitorial and Sanitary product line, Alliance SANI Hand Sanitizer. In response to the Covid19 pandemic, TST is now offering Hand Sanitizer to its distribution partners. The Hand Sanitizers are available in both GEL and LIQUID. GEL hand sanitizer is available in 12 oz bottles with a flip cap for easy application. Effective protection to kill 99% of pathogenic germs, 70% Ethanol (SD Alcohol) active. LIQUID hand sanitizer is available in one gallon refill jugs (128 Fl. oz) ideal for spray bottles, and also in 12 oz bottles with sport caps. Multi-use, liquid base formula, 70% alcohol content.
