Big Tex by Alliance Pink Butcher Paper – The Best Way To Smoke All Your Favorite Meats

Get rid of your aluminum foil and wrap your brisket, steaks, ribs, and more in Big Tex Pink Butcher Paper. Food grade and smoker safe, the butcher paper is non-toxic, uncoated and safe for your smoker.

Food preservation: The paper is ideal for wrapping and storing meat because it allows the meat to “breathe” while retaining moisture It helps preserve the meats natural juices and helps prevent it from drying out.

Barbecuing and smoking: The paper helps to create a moist and tender texture while allowing the meat to develop a smoky flavor. Big Tex Premium grade butcher paper gives the strength you need while smoking your meats.
